

How do you find a foodservice rep who is there for you in person, gives you the personal assistance you need, and frees up more time to do the important things?

Let's talk.

Harbor Foodservice Territory Sales Consultants (TSC's) are embedded in the communities they serve. They live, work, and play locally delivering a personal touch backed by industry knowledge and Harbor's core values.

What makes Harbor different?

Local Presence: Your TSC understands the unique needs of your community and is committed to supporting your success with hands-on service.

Availability: Your TSC is always within reach - responding quickly to calls, texts and emails. You'll receive proactive communication and regular visits to ensure your needs are met before issues arise.

Industry Knowledge: With a wide range of foodservice experience, your Harbor TSC will offer fresh ideas, creative solutions and help you maximize your GPO contract incentives and savings.

Harbor Core Values: Our TSC's embody who we are: Genuine, Motivated, Resourceful and Friendly.

Peace of Mind: Focus on your residents, not your foodservice.
