Hatch chiles are a New Mexico favorite known for their unique grassy, fruity, smoky flavor and subtle heat. Grown in the Hatch Valley's distinctive climate and rich soil, they're celebrated as one of the Southwest's most iconic seasonal ingredients.

Premier kombucha brewery and community hub based in Bellingham, WA. Artisan-crafted blends showcasing different varieties of tea brewed with fresh ingredients! Improving gut health and the immune system via rich amino acids and antioxidants. Highest quality kombucha culture packed in every can!

BLACK GARLIC

Family-owned black garlic producer based in Washougal, WA. Taking garlic to the next level through slow caramelization that breaks down its natural sugars and amino acids. Raw garlic's sharp, spicy bite mellows into a smooth, sweet flavor packed with rich complexities!
